## CAMP JOE'S

### WORKING FAMILIES SPEND 2 - 15 HOURS CHOOSING WHERE TO SEND THEIR KID TO CAMP

That is a lot of time. CAMP JOE'S has options for children ages 4 - 13 featuring creative exploration of world cultures through science and arts based learning experiences. We provide before care in the cost of camp and after care is only an extra \$50 per week! Though the camp day runs from 9 am - 3 pm, your kids can be taken care of from 7:30 am - 6 pm at Joe's.

### THE AVERAGE WEEKLY FEE FOR SUMMER CAMP IS \$412 FOR ELEMENTARY SCHOOL AGED CHILDREN.

CAMP JOE'S is an affordable \$200/week whether your child is enrolled in Dance Theatre Experience or Creative Robotics camps. After care is an additional fee of \$50 per week making Joe's an affordable option.

### WORKING FAMILIES SEND THEIR KIDS TO CAMP 8 OUT OF 10 WEEKS OF SUMMER

CAMP JOE'S runs June 19 - September 1, 2017, 11 consecutive weeks, and offers camps that allow for flexibility - a week on here and a week off there. At Camp Joe's your summer vacation plans take priority, and we take care of the rest.

### THE AVERAGE CHILD SPENDS 7.5 HOURS PER DAY ON ELECTRONIC MEDIA

At CAMP JOE'S, your child will spend 6 hours each week day engaged in structured movement and arts-based activities including, but not limited to, West African Drum and Dance, Latin Inspired Movements and Music, Creative Robotics camp and more!

### CHILDREN GAIN WEIGHT 2-3 TIMES FASTER IN THE SUMMER THAN IN THE SCHOOL YEAR

At Camp Joe's you control what your child eats by sending them to camp with a healthy snack and lunch. We ensure they spend the day engaging in healthy and creative activities with two days a week of pool time and an emphasis on movement activities.
